

IN SENATE OF THE UNITED STATES.

---

JULY 27, 1842.

Ordered to be printed.—To accompany bill H. R. 258.

---

Mr. PHELPS submitted the following

REPORT :

*The Committee on Pensions, to whom was referred the bill for the relief of Presley Gray, report :*

That it appears, from the evidence exhibited in this case, that said Gray turned out as a volunteer in the year 1781, in Fairfax county, Virginia, for a tour of six months ; that he served for a part of that term, how long does not appear, but he states in his memorial that he was discharged before the six months expired. As the law allows no pension for revolutionary services when those services fell short of the term of six months (and he pretends to no further service than that mentioned above), the committee recommend that the bill be indefinitely postponed.
